class history

GWENDOLYN LITTLE
PRESIDENT

As our last year in Broadway comes to a close, we, the class of '70, not only celebrate our graduation, but look forward to a new and hopefully better decade ahead. During our three years at Broadway, much has been accomplished. We thank the faculty, administration and our parents who worked long and hard to instill in us a sense of pride and an inquisitive mind.

The school choruses, orchestra, and band have highly excelled in music especially in the two "Broadway" productions presented at the school. This increased the experience of our talented students, which shows that we at Broadway have a fine sense of cultural ability and understanding.

The Student Council accomplished many things. The privilege to wear slacks by the girl members of the student body was the work of one of the many committees of the Student Council.

These and other achievements we leave as we enter a world of changing times and ideas, problems, and ever-increasing stress in the world. Yet, we leave with the confidence that we will be able to abide with these problems, and enjoy our life because we have been taught to do so, here in the halls of our great Alma Mater.

class will

We, the graduating class of 1970, being of sound mind and body do hereby make, publish and declare the following as our Last Will and Testament, and appoint our advisors, Mrs. Deavers and Mr. Fidlow, as Executors, without bond.

First, we direct our Executors to give the same attention and gentle care to future graduating classes.

Second, we give, devise, and bequeath unto the future graduating classes all the privileges, positions, and responsibilities of Seniors.

title one program

The Title I Program at Broadway Junior High School is a Federally funded program to meet the educational and cultural needs of the Title I participating students. The Program includes new books for classroom use, many classroom supplies such as tapes, records, filmstrips and overhead transparencies, audio-visual equipment to make classes more stimulating and aid the overall educational process, testing programs to measure student's growth and analyze their special needs, individualized teaching instruction to meet the student's special needs and a reading lab with a specialized reading program to improve the reading ability of the students.

The Title I Program includes many educational enrichment activities. These activities are special assembly programs for the entire student body, outside experts who speak to specific classes such as our Morning of Arts and Crafts, and field trips to interesting places. Title I also conducts teacher training workshops to bring the latest teaching techniques to the faculty so that the students will benefit from the best educational methods available.

In brief, the Title I Program works with the community and the teachers so that the students will receive the best possible education.

ALMA MATER

SING OUT LOUD AND CLEAR FOR OUR ALMA MATER,
A SONG SWEET AND TRUE, THAT WILL RING THROUGH THE YEARS.
WHEN FONDLY RECALLED, THE MOMENTS OF GLADNESS
AND FRIENDSHIPS SO DEAR, WE WILL TREASURE ANEW.

THOUGH FAREWELL ONE DAY WE MUST SAY, WITH LOYALTY
WE'LL KEEP IN SIGHT
THESE OUR COLORS MAROON AND WHITE, THE EMBLEM
OF OUR HONOR BRIGHT.

SO BROADWAY, WITH PRIDE, WE ECHO YOUR PRAISES,
THE SCHOOL WE ALL LOVE WILL REMAIN IN OUR HEARTS.

ACKNOWLEDGEMENTS

The staff of the '70 Limelight appreciates the assistance of Mrs. J. Deavers, Mr. H. Fidlow, Miss M. Marrison, Mr. M. Silverman and Mr. W. O'Connor for their professional help in the production of this school annual.
